

VIPERT™
POTABLE & RADIANT

STRIKING PERFORMANCE

CB Supplies VIPERT™ Potable & Radiant PE-RT OXY barrier tubing offers industry leading performance with improved flexibility, lowest Greenhouse Gases (GHG) emission footprint and tubing is 100% recyclable, all backed by a 25-year warranty that is not compromised by your connection choices.

INDUSTRY LEADING FLEXIBILITY FOR EASIER & FASTER INSTALLATION

With relaxed memory you'll experience less spring back than PEX for easier and faster installations

100% RECYCLABLE

VIPERT is 100% recyclable, requires less energy to produce compared to PEX tubing, contributing to lowest GHG emissions footprint

EXPAND, CRIMP OR PUSH

VIPERT Potable and Radiant is flexible for your preferred tubing methods by expanding, by crimp or with push style fittings, VIPERT does it all!

NO NONSENSE 25-YEAR WARRANTY

We stand behind our VIPERT with a transparent 25-year warranty regardless of fitting systems installed

STRENGTH, DURABILITY & BUILT FOR EXTREME TEMPERATURES

Exceeds all standards with exceptional hydrostatic strength at high temperatures and burst pressures, maintains excellent flexibility in both cold and hot environments

EASY LINE IDENTIFICATION BY COLOUR

White, red and blue choices for Potable and VIPERT green for Barrier, available tubing sizes: 3/8" through 2"
