

## 304 Stainless Steel Fittings

CATEGORY 048

**90° Elbow**

### FEATURES & BENEFITS

CB Supplies offers a complete line of 304 Stainless Steel Light Pattern Fittings. Stainless steel fittings offer many benefits: light weight, high-pressure rating, and very cost-effective

The material does not typically stain, rust or corrode and the 304 stainless steel increased material composition makes it a great fit for many of your applications!
