CB Supplies established in 1962 is both a Canadian manufacturer and master distributor. Our core value is to provide exceptional customer service through each of our four regional offices with:

- High-quality products that meet changing market demands
- Competitive market pricing
- High-fill rates and prompt deliveries

We continually support our core value with long-term investment in our people, facilities, product, and our industry associations.

We provide a wide range of plumbing, hydronics, and HVACR solutions, including our branded products: VIPERT™ Potable and Radiant Tubing, LYNX-PEX™ Water Service Tubing, MECHPRESS Carbon Steel Press Fittings, Diamondback® (CSST) Flexible Gas Piping, and American Granby Products.

"At CB Supplies we proudly manufacture top quality PEX & PE-RT tubing in Canada and distribute a wide range of great products, but it is our dedication to service that sets us apart. Knowledgeable staff, accurate & on-time shipping, and strong local inventory levels allow us to provide a level of service that makes CB Supplies a critical partner in the supply chain for our wholesale customers and contractors."

– Warren Lowe, President, CB Supplies Ltd.
